Dated the 6th August, 2018.

To

The Principal,
Don Bosco College of Teacher Education,
Tura, West Garo Hills

Sub: Renewal of Provisional Affiliation for B.Ed. 2(two) year course.

Sir/Madam,

I am to convey the decision of the 100th Academic Council vide Resolution No:AC:100:2018:5:7:(i) held on 1st and 15th June 2018 which resolved grant of Permanent Affiliation for B.Ed. 2(two) year course is regretted. However, renewal of Provisional Affiliation for the above mentioned course is granted with retrospective effect for a period of 3(three) years w.e.f. academic sessions 2017-18 to 2019-20 in continuation to the Affiliation granted vide this office letter No.CDC/A.26/2002/Vol.II/-3222 dated 17/12/2014.

The College is required to fulfill the following conditions as laid down by the Inspection Team, within a period of 3 (three) years and then apply for grant of Permanent Affiliation.

1. Curriculum Laboratories need to be separately set up for Science, Maths, Social Science, languages and Psychological Lab. The set-up should be according to NCTE norms.
2. The College building lacks facilities for differently-abled persons. While it may not be feasible to provide barrier free facilities in the top floors of the Building, it is suggested that barrier free environment may be provided at least in the Ground floor. The entrance to the building may be provided with a ramp with railing and at least one toilet for boys & girls in the Ground floor may be made suitable for differently-abled persons.
3. For 2 Units i.e. 100 students, there should be 16 full time faculty members. So eight (8) full time faculty members should be appointed for Pedagogy Subjects in Maths, Science, Social Science and Languages immediately.
4. Books in the Library need to be immediately classified accordingly to ensure their location on the shelves are in a desired order. Library also should be automated using Computers, Integrated Library Management Software (ILMS), barcode labels and

readers, Local Area Network (LAN) etc. Database of books, journals and library members should be created in the ILMS so that the Online Public Access Catalogue (OPAC) is available for access in order to facilitate searching of library books and journals/newspaper/magazines by the students and teachers alike. The barcode labels and readers should be introduced to enhance the book Issue/Return and Renewal services. ILMS will also aid in the generation of reports and usage statistics. There is also a need to enhance the Library space to ensure that the library services as recommended earlier are adhered to. An increase in the Library space will add comfort in the seating and movement activities of students, teachers and staff while inside the library. In view of the above requirement and delivery of library services, manpower strength in the Library therefore need to be increased i.e. a qualified Library Assistant needs to be appointed to assist the Librarian. To augment the existing library resources in print, the Library should make best effort to enroll as members of NLIST programme to avail access to the rich collection of e-books and e-journals.

5. There should be provision for ICT facilities with hardware and software including computers, internet, TV, Camera: ICT equipment like ROT (Receive Only Terminal), SIT (Satellite Interlinking Terminal) etc.
6. A Health and Physical Resource Centre needs to be set up.

The fulfillment of the above conditions may be intimated to the undersigned at the earliest.

You are required to apply for renewal of Provisional Affiliation six months before the expiry of the affiliation period i.e. by January, 2020, or for Permanent Affiliation on fulfillment of the above mentioned conditions.

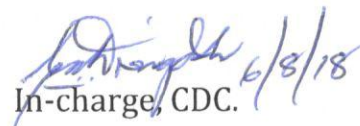

Yours faithfully,

Dr. (Mrs) C.A.R. Diengdoh
